Education

Simon Fraser University 2025 – Present

Master of Urban Studies

- **Thesis (In Progress):** *The Affordability Gap* — examining whether small-scale upzoning under Bill 44 produces affordable housing in Surrey, BC through pro forma financial modeling, GIS spatial analysis of corporate land assembly, and semi-structured interviews with developers and planning staff.

British Columbia Institute of Technology 2026 – Present

Advanced Certificate in GIS

Kwantlen Polytechnic University 2019 – 2024

Bachelor of Arts: Major in Policy Studies, Minor in Geography

Urban Planning & GIS Experience

Humanitarian OpenStreetMap Team (HOT) June 2026 - Present

Volunteer GIS Mapper

- Digitized building footprints, road networks, and land use features from satellite imagery
- Supported international disaster response and humanitarian aid deployment

Agricultural Land Commission Sept 2023 – Dec 2023

Intern

- Audited 78 land-use applications in Excel to track financial and compliance irregularities.
- Evaluated 39 applications, finding 46% eligible for expedited review to increase organizational efficiency.
- Analyzed 157 applications in ArcMap to map residential land loss patterns across Greater Vancouver.

Kwantlen Polytechnic University May 2023 – Dec 2023

Student Learning Assistant

- Instructed undergraduate students on using ArcGIS StoryMaps to translate complex spatial data into accessible visual narratives for diverse audiences.
- Reviewed and organized student capstone projects for publication, ensuring high standards of academic presentation and data visualization.

City of Surrey 2022

Nature Party Work Member (Volunteer) | Contributed to ecological restoration by removing invasive species in support of local biodiversity and urban greening initiatives.

Other Experience

Choices Markets 2024 – Present

Meat Cutter | Managed inventory and maintained product code spreadsheets using MS Excel in a high-volume retail environment.

Thrifty Foods 2018 – 2024

Meat Cutter | Delivered frontline customer service and conflict resolution while adhering to strict health and safety protocols over six years.
